

# SUREN DAS COLLEGE, HAJO

News Letter : 2021-2022

Volume-8, August, 2022

## Message from Principal

Dear students,

It gives me immense pleasure to address you on this occasion of publication of the college Newsletter for the session 2021-2022. Our alma mater Suren Das College is considered as one of the advanced institutions of higher education in Assam, which has constantly thrived to excel in quality of education. The college has been accredited two times by the National Assessment and Accreditation Council (NAAC), and in the coming days we are going for the third cycle of NAAC accreditation. In order to see the status of our college at the national level, we have participated in various ranking frameworks designed by the competent agencies of the govt. of India. The college participated in the National Institutional Ranking Framework (NIRF). For our participation in Atal Ranking of Institutions on Innovation Achievements (ARIIA) our college has been recognized as a "performer institution." I am pleased to inform you that the Institutions Innovations Council (IIC) of our college has achieved two \*\* (two stars) for our continuous efforts in this regard. Our efforts to fairly position the college among the top HEIs of India shall come to fruition only when our students shall take active participation in various programmes designed and developed by the College, apart from their pure academic engagements. I want to appeal to all the students of the College to actively participate in the seminars, workshops, competitions, NSS camps as well as in various other activities conducted by the concerned departments and the IQAC of the College. A Newsletter contains summary-activity of various programmes conducted by a College. I do hope that this 8th issue of the Newsletter has given space to all the activities conducted in the College during the session 2021-2022. Finally, I extend my sincere thanks to the Editor and the Members of the Editorial Board of the Newsletter for their sincere efforts in timely publication of the issue. With best wishes.

### OUR VISION :

Empowering the rural masses through quality education and enabling the youths to meet the challenges of future.

### OUR MISSION :

- To develop competent, committed and compassionate leaders through education, knowledge generation and its dissemination.
- To strengthen the teaching-learning process through innovative practices.
- To create good institutional infrastructure and excellent human resources
- To impart entrepreneurial and life skills to students for enhancing employability.
- To develop the College through capacity building of the stake holders.

(Dr. Hiranya Kumar Sarma)  
Principal  
Suren Das College, Hajo

## From Editor's Desk

In September 2020, the United Nations ratified 17 Sustainable Development Goals to serve as benchmarks for every nation to ensure global prosperity, protection of the planet and eradication of poverty. Goal 4 of the SDG is quality education. It is beyond doubt that for sustenance, quality education is indispensable for any individual, educational institution as well as a nation. Suren Das College, from its very inception has been endeavouring to impart quality education to the students. Apart from imparting regular curriculum related education, the college community has been engaged for the holistic development of the students and has been relentlessly trying to involve and expose them to the activities which ensure their physical, mental, spiritual and intellectual development and in this regard, it may be said that 2021-22 has been proved to be one of the most eventful years of the college. This issue of newsletter showcases some glimpses of the activities and events held during the year. It is hoped that it will reach out to the stakeholders and the community members and help us to stay connected with them. We are hopeful that in future also we shall be able to march forward following the motto of NEP, 2020 – Educate, Encourage and Enlighten.

On behalf of the editorial board, I want to take this opportunity to thank Principal of our College, Dr. Hiranya Kr. Sarma and to all those who helped in this endeavour of bringing out the Newsletter. I apologise for any unintended mistakes.

Dr. Ripima Buzarbaruah
